## Angel Trees

We will once again be helping needy families during the holiday season. At the Downtown and Dunigan branches, trees will be set up after Thanksgiving.

Each tree will have ornaments with the needs of the families. These are families that affiliated with the YMCA. Please take an ornament or two and make someone's Christmas a little bit brighter.

---

## Fleece Jackets

We have recently received another shipment of Y fleece jackets. Please see the front desk to purchase one.

---

## Christmas Luncheons

The Dunigan and Downtown branches will each hold a Christmas Luncheon to celebrate the season. The Y will provide the meat and we ask staff to bring a side dish or dessert. Details will be out at the end of November.

---

## Living The Cause

### Making Member Engagement a Key Function

At the Y member engagement is a part of everyone's job; it is through member engagement that we are a part of our cause. Our YMCA provides opportunities for people to become healthy, confident, and connected to others. Because our Y is deeply rooted in our community we have the long-standing presence to engage people from all walks of life, regardless of age, gender, income, or background. In joining the Y, children, adults, and families are encouraged by staff and one another to get involved in programs and activities, volunteerism, and philanthropy, and they become advocates of the Y's cause of strengthening community. It is our privilege, as YMCA staff, to prepare the way and nurture these deepening connections and involvements, helping members find meaningful activities that help them learn, grow, and thrive. Make member engagement a key function of your job every day, you have the ability to impact the lives of many people each day you walk through the doors of the Y.

---

---

## OUR MISSION

The YMCA of Southwestern Indiana, Inc., following the example of Jesus Christ, responds to community needs, by serving all people, especially youth, through relationships and activities that promote healthy spirit, mind, and body.
